Sub: Calibration of weigh bridges – Reg.  
Ref: Our letter No.CRP/VIG/C/722 dt. 23.10.2008.

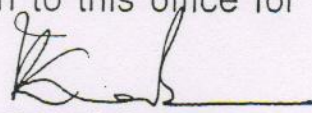

:-

With reference to above it was advised to form a committee to periodically inspect and arrange for calibration of weigh bridges in all areas to minimize the variations to bring them within in the permissible limits.

It is understood that only KGM, YLD, MNG and RG-II Areas have formed such committees and conducting calibration of all weigh bridges in their areas. However, no reports are received from these committees by Vigilance dept. regularly.

It is once again advised to form committees as advised in above reference letter and arrange for calibration of weigh bridges to minimize the errors to permissible limits, by inspecting once in a month.

Action taken in this regard along with the variations observed may be sent once in a month by 5<sup>th</sup> of every month to this office for appraisal to higher ups.
